**Everything under one roof:
We are Deutsche Leasing AG**

Dear Sir or Madam,

In order to become quicker, simpler and more efficient for you, we are reducing the complexity of our business processes and streamlining the corporate structure of the Deutsche Leasing Group.

We would therefore like to inform you that we are merging our legally independent companies – Deutsche Leasing für Sparkassen und Mittelstand GmbH, Deutsche Leasing Fleet GmbH, Deutsche Leasing International GmbH and Deutsche Leasing Information Technology GmbH – within Deutsche Leasing AG from 22 May 2020. In this context, Deutsche Leasing Fleet GmbH will be renamed Deutsche Leasing AG Mobility Business Area, as our range of services includes a variety of mobility solutions that go far beyond classic fleet leasing.

More specifically, the merger will mean that all rights and obligations from existing legal relationships will be transferred directly to Deutsche Leasing AG within the context of the universal succession, as will all existing contracts (for instance leasing, hire purchase and framework agreements, orders, acceptance of orders).

For you, this means that nothing changes: we will remain your proven partner in the future. So you can continue to look forward to expert advice and a broad range of investment-related financing solutions and supplementary services.

Good to know!

- You will retain your usual contact
- You will benefit from the same good service that you are used to
- Your contracts will of course continue unchanged
- Your SEPA mandates will remain valid
- Following completion of the merger and the subsequent adjustment of systems and bank accounts, we will collect direct debits under the creditor ID Deutsche Leasing AG DE21ZZZ00000000173. To enable the internal allocation of debits collected, the letter sequence 'ZZZ' may be changed
